

**Senior Life Insurance Company  
PO Box 2447  
Thomasville, GA 31799**

**ELECTRONIC SIGNATURE  
PROCEDURE DOCUMENT**

When Senior Life Insurance Company (the Company) conducts insurance applications over the telephone, the transaction is created and memorialized by an Electronic Record. By acknowledging and authorizing the recording of your signature you are allowing the Company to electronically stamp or sign common policy documents requiring your signature or official authorization for products/or services which you have requested for purchase.

The physical arrangement and presentation of data will be identical to the forms approved by the Massachusetts Division of Insurance. Signatures will be displayed in real time and bound in a single record. Storage of your signature is automatic and will not be used for any other purpose than those specific to the issuance of the policy.

Hard-copies of the applicable documents containing your electronic signature will be mailed upon issuance of the insurance policy.
